

BRECKSVILLE BUILDING DEPARTMENT PLACEMENT OF AIR CONDITIONING UNIT

THIS DRAWING ILLUSTRATES THE PROPER LOCATION OF A
RESIDENTIAL AIR CONDITIONING UNIT

STREET

New Installation:

Brecksville Codified Ordinances, Chapter 13 "Any air conditioning unit or accessory, other than window units, shall be installed, located or housed in the rear of the dwelling.

Any question as to what constitutes "the rear of the dwelling", for the purposes of this section, shall be resolved within the sound discretion of the Building Commissioner."

Replacement Installation:

Replacement units may be replaced in the same location but at the discretion of the Building Commissioner.
