## **EXCEPTIONS**

### ***Exceptions for Adler Team Sports:***

Any Substitutions have been noted and brands substituted have also been used in the past.

On soccer goals I bid the Kwik Goal brand but quoted two different models (as per Pete). Also, freight would be added to the goals as they do ship by freight truck with the fluctuating gas prices. A rough estimate would range from \$175 - \$300 depending on when and how many goals are ordered. A more specified shipping cost can be calculated at time of ordering.
