Class Size

Minimum 5 Maximum 10

Description

The Start Smart Basketball Program is a parent-child based program designed to teach children the basic motor skills necessary to play organized basketball while they work one-on-one and spend quality time with their parents. The program focuses on teaching children and their parents basic sports mechanics without the threat of competition or the fear of getting hurt. The Start Smart Basketball classes meet once a week for six weeks at the Brecksville Community Center.
