

# The City of Brecksville Soccer Academy

The City of Brecksville Soccer Academy is a 6 week program designed and directed by Tony Niccoli. The City of Brecksville Soccer Academy's format is to teach children about soccer and the fundamentals of athletic competition in a safe and fun environment. This academy will focus on the development of basic motor skills, as well as soccer fundamentals, like dribbling, passing, shooting and positioning. The City of Brecksville Soccer Academy stresses the importance of teamwork and sportsmanship while building the child's confidence in participating

in group activities. Your child will meet with their group once a week on Saturday. This time will be divided into drills, practice and scrimmaging. All sessions will meet at the Blossom Hill Soccer Fields.
