# **Natural Gas and Electricity News**

Some residents are receiving a letter informing them that they are being switched to NOPEC for natural gas. The City advises against that. You should “opt out.” Furthermore, **DO NOT SIGN UP FOR ANY FIXED RATE!** Right now a variable rate is the only way to go. **AND NEVER SIGN UP FOR ANY OFFER UNTIL YOU ASK YOUR PRESENT SUPPLIER IF THEY WILL CHARGE YOU AN EARLY TERMINATION FEE! IF THEY WILL, DON'T SWITCH.** As always the City can answer your natural gas and electricity questions at 526-2606.
