

Hiring new employees? Upgrading the skills of your workforce?

Employment Connection can help and at NO COST!

Employment Connection, northeast Ohio's premier workforce organization, is a collaboration between the City of Cleveland and Cuyahoga County that helps local businesses stay competitive!

Employment Connection's Business Services Team is concerned about *your* business, *your* employees, *your* bottom line, and *your* success. They are committed to developing a working partnership with your business; assessing and assisting you in your workforce needs and supplying you with the latest information concerning hiring and financial incentives that can benefit your business.

Whether you are seeking to fill one position or 30, hire entry-level positions or executive staff, Employment Connection's goal is to help you find the right employees easily and quickly by developing a personalized recruitment strategy to help you reduce both time and money spent during the hiring process.

Need to upgrade the skills of new hires or advance the skills of your existing workforce? Employment Connection's Business Services Team also has the latest information regarding training grants. You may be able to qualify for funds to help keep the skills of your employees on the cutting edge.
