EXCEPTIONS	None. <i>Voluntary Alternate:</i> -Delete hot applied system -Add cold applied system -Deduct: \$15,100.00	None.	Specification 071413, Section 2.4.B calls for pavers. Drawings call for sandstone deck. Pavers and any associated work are excluded as sandstone slabs are provided in our proposal. Due to the condition of the sandstone ashlar, we have included 150 sq ft of new varying size ashlar for replacement. The projected project completion time of 6 weeks may not be achievable due to stone production backlogs. As such, we will apply for pay applications monthly.
