GLENWOOD TRAIL CONSTRUCTION TO BEGIN

As a reminder, the Glenwood Trail Improvement Project will commence after the first of the year. Beginning Tuesday, January 2nd, Glenwood Trail will be closed to through traffic. Brecksville Police will be monitoring this closure as we ask all residents to obey these detours. Broadview Heights has temporarily lifted their “no thru” traffic laws on Avery Road during construction, and as always, Highland Drive is available as a detour. This is an extremely large project that will continue through the winter with a tentative completion date of late summer 2023. To the ability possible, we have tried to accommodate provisions in the plans to minimize inconveniences but ultimately the project involves just under 2,200 feet of sanitary, storm, pavement removal & replacement, and sidewalks. Based on such, there will be inconveniences and we thank you in advance for your anticipated cooperation throughout this project.

CITY COUNCIL ORGANIZATIONAL MEETING

Brecksville City Council will be holding their Organizational Meeting on Tuesday, January 3rd, 2023 at 8:00 pm in the Ralph W. Biggs Council Chambers. Council members will be nominating and voting on a Council President, Vice President, and appointing members to various Boards and Commissions. I would like to take a moment and commend those who have served on a Board or Commission, demonstrating civic leadership, and giving of their time and knowledge to the betterment of the City of Brecksville. Your dedicated service is truly appreciated.
